RESPONSE TO THE CLARIFICATION REQUEST
IT EQUIPMENT
MIS-ETC Code 1298 / Lugoj Municipality / 4

As a result of clarification request received for the procedure of **IT EQUIPMENT**,

- 1. "Please confirm if "the letter fold function" is optional as it results in technical specifications - Chapter System Specifications article finishing modes"***
- 2. "Please confirm if it agrees to offer a scanner modules with 80 ipm speed"***
- 3. "To provide such a printer as your requirement we believe that budget is too small. To provide a printer as you requested, please specify if it is absolutely necessary fax module as it is described in the specification."***

we inform you the following:

1. Yes, we confirm that ***"the letter fold function"*** is optional as it results in technical specifications
2. Yes, we confirm that ***a scanner modules with 80 ipm speed*** it is accepted as reflected in the technical specifications (up to 160 ipm)
3. The budget for this budget line is was established at the time of writing the project, as a result of a market study, accepted by the financier and can not be changed, so if you manage to enclose with your offer in our budget estimate, we expect your offer. Regarding the technical specifications, all are absolutely necessary - less those optional ones, so fax module is mandatory.
